Human Rights are the inherent rights that belong to each and every person. According to the Universal Declaration of Human Rights, some fundamental rights include the right to equality and freedom from discrimination, freedom of thought and religion, the right to education and work, and the right to participate in the cultural life of the community. Understanding and protecting each person’s human rights is essential to the establishment of justice, peace and happiness in the world.

The recognition event for award recipients will be December 10, 2019, which is Universal Human Rights Day. ***If you know of anyone who should be considered for a human rights award, please tell us about them!*** We know there are many individuals in our community working to promote the rights of Moorhead citizens by example and deeds. This is an opportunity to bring attention to this good work. I have attached a nomination form for your use.

Please forward your recommendation to us by November 6, 2019, in order that the Commission may review the nominations and plan the event. Feel free to copy and distribute the nomination form to other persons you know who might also be aware of candidates.
