Sam's Club confirms Moorhead to get store

MOORHEAD – A Sam's Club is definitely coming to Moorhead, it is only a matter of when, a spokeswoman for the company said Wednesday.

Delia Garcia said it is too early in the process to put a date on when construction will start, but she said the company is eager to open a Moorhead location as soon as possible.

Speculation has been rampant regarding the identity of a large retailer that has been in confidential talks with city staffers about building just to the west of the Moorhead Menards store on 27th Avenue South.

Although a Sam's Club has been talked about, there have been questions about how a Moorhead location might affect a Sam's Club already operating in Fargo.

Garcia answered the question somewhat by stating each store will offer some items unique to that location.
