Hjemkomst Center, 202 1 Ave N, Moorhead,
MN

Public Meeting Notice: Metro COG, the City of Moorhead and the Minnesota Department of Transportation (MnDOT) have completed the Moorhead Downtown Grade Separation Study. The study analyzed potential alternatives for constructing a grade separated railroad crossing within downtown Moorhead at 8 St, 11 St and 14 St. The Study prioritizes and recommends further engineering and environmental analysis be initiated at the 11 St location. The 8 St and 14 St locations don't meet the technical or feasibility criteria established for the project.

A meeting involving members of the City Council will be held at the date, time and location as indicated above. The number of Council Members present may create a quorum of the City Council; so, this notice is provided to the public of the potential meeting.

Upon request, accommodations for individuals with disabilities, language barriers, or other needs to allow participation in City Council meetings will be provided. To arrange assistance, call the City Clerk's office at 218.299.5166 (voice) or 711 (TDD/TTY).
