To: Chair Wallert and Members of the Economic Development Authority Board
From: Scott Hutchins, Director of Community Services
Subject: April EDA Meeting Postponed
Date: April 19, 2012

Legislative leadership and the Governor continue to discuss the parameters of a “global agreement” clearing the way for adjournment of the 2012 MN legislative session, possibly as early as April 30th or soon thereafter. As you know the City has a number of legislative proposals that continue to hang in the balance; the two primary ones being the two year residential property tax exemption and funding for continued flood mitigation. The April EDA Board meeting is being postponed to a date yet to be determined but hopefully the first or second week in May to discuss session outcomes and consider program recommendations to the City Council.
