

BORDER CITY ENTERPRISE ZONE

2023 TAX YEAR

Workers Compensation Tax Credit Program

As a designated Minnesota border city, Moorhead offers existing businesses an income tax credit to reduce a portion of their Minnesota workers compensation insurance expense.

This fully refundable tax credit program is available to all qualified Moorhead businesses who file MN income taxes and pay workers compensation insurance.

Complete the online application with your phone or laptop using the QR code below to receive a 25% tax credit up to \$30,000 per business.

To Apply

- * Gather general information related to your business, including legal name and federal & state tax ID numbers.
- * Upload required documents including: 1) workers comp audit statement; 2) *DOR tax clearance letter; 3) *DOR information sharing form; and 4) *DEED demographic form. **Follow online instructions in the app.*
- * Check that all required documents match exactly with the business information entered into the online application.
- * Keep login information for future reference.

Review Process

- * City review includes ensuring all information matches and conforms to state standards, including attached documents.
- * City calculates credit (25% with \$30,000 cap per business)
- * *Priority review is given to completed applications received by the deadline.*
- * State departments (DOR & DEED) review uploaded documents compliance with program
- * Business is sent a final email with final EZC credit form attached and/or a link to download the application.

Accepting applications thru Friday,
Dec. 15, 2023, for priority review
and processing
